Dear Sir:

TX8214020424

The U.S. Army Toxic and Hazardous Materials Agency conducted an investigation on April 15, 1987, to update their Initial Installation Assessment of Fort Hood, Texas, Report Number 188, June, 1982. The Initial Installation Assessment is a Comprehensive Environmental Response Compensation and Liability Act type records search equivalent to the action which the U.S. Environmental Protection Agency refers to as a Preliminary Assessment. A copy of the updated report is provided at enclosure for your review and comment. Any comments should be forwarded by April 15, 1988, to accommodate publication of a final document.

Point of contact for this action is Mr. Bill Bodkin,
(817) 287-8713.

Sincerely,

Allen D. Smith
Colonel, Corps of Engineers
Director of Engineering and Housing
